BlackLine’s Account Reconciliations Customer Certification Program is designed to help you achieve greater proficiency and maximize your organization’s investment in BlackLine.

The certification allows users to understand, learn, and apply most reconciliation settings and administrator functions across various user roles (Preparer, Approver, Reviewer, Management, and Audit Teams). This training encompasses the entire journey from getting started all the way to optimization.

**Employee Benefits**

- Learn practical skills
- Increase self-sufficiency
- Gain the ability to maintain and optimize BlackLine functionality
- Convenient, flexible, self-paced curriculum
- Eligible for Continuing Professional Education (CPE) credits

**Organizational Benefits**

- Maximize your BlackLine investment through a greater level of proficiency
- Reward and develop top talent resources by enhancing their critical thinking skills and automating many of the rote/repetitive tasks

**Who Should Enroll**

Anyone who wants to learn, engage, and show proficiency with the BlackLine Account Reconciliation product.

**Prerequisites for All Levels**

Learners should have a fundamental understanding of basic accounting concepts and terminology, as well as have foundation-level knowledge of BlackLine navigation and functionality.

**Format**

BlackLine’s Account Reconciliations Customer Certification Program provides an effective and flexible approach combining self-study eLearning, case study activities, and three attempts to pass the Certification Exam.
How to Purchase

Pricing and purchasing details can be found on the BlackLine U Market.

How It Works

The BlackLine U Individual Customer Account Reconciliations Certification Program provides you access to the Independent Study Account Reconciliation Certification Learning Path which includes the required training, three attempts at the Account Reconciliation Certification exam, and the ability to earn Continuing Professional Education (“CPE”) upon successful completion of the Learning Path. The exam and training content are in English.

Once purchased you will automatically be enrolled and will have 90 days to complete the training and pass the exam. No extensions will be granted. If you fail the exam after three attempts, you have the option to purchase three additional exam attempts at list price. Contact blu@blackline.com for additional information.

The purchase is nonrefundable, not transferable, and non-assignable. Participation is exclusively for the registered user; unregistered users may not view or participate at any time. Unauthorized recording, copying, or transmission of content is prohibited.

Additional details can be found on the BlackLine U Market. If you have any questions, please email blu@blackline.com.

WHAT CUSTOMERS ARE SAYING

“The training was complete. I liked how it could be performed in small increments of time making several hours of training more manageable.”

“Overall it was a very good experience, even as an experienced admin it is good to review certain things again to keep up to date, or to get ideas for improvements.”

“I think the entire program is useful especially if you are new to the system or have not kept up to date with the changes along the way. It helps reinforce the knowledge you currently have and learn many new things as well.”
